## **C2G Guest Post: A better understanding of non-Western views is needed for inclusive SRM governance**

"Yet public perception research on SRM has been so far [limited](#) largely to the countries of Europe and North America—the so-called [WEIRD \(Western, Educated, Industrialized, Rich and Democratic\) societies](#). To help fill this gap, we conducted an [online survey](#) of university students in six Asia-Pacific countries: Australia, China, India, Japan, the Philippines, and South Korea."
