Job: Heriot-Watt University: Research Associate (IMPEE - Research Centre for Carbon Solutions)

Deadline: 17. September 2020

"We are seeking a motivated and enthusiastic postdoctoral research associate to work on our H2020 funded OceanNETs Project. This major EU project aims to explore the potential of ocean-based methods of removing CO2 from the atmosphere to prevent climate change (often referred to negative emission technologies, or greenhouse gas removal)."
