## **"NARUC Subcommittee on Clean Coal and Carbon Management / NARUC-DOE Carbon Capture, Utilization, and Storage Partnership Webinar: Policy Outlook for Carbon Capture in the 2020s**

"This webinar will provide a high-level overview of the federal policy landscape for CCUS, with panelists sharing their perspectives on:

- Key CCUS-related elements of recent federal climate, infrastructure, and stimulus initiatives;
- Administration views on the role of CCUS in the power and industrial sectors; and
- The role of U.S. Department of Energy and the National Laboratories in advancing CCUS technologies."
